

Pompom book marks

Skills involved

- Sorting the pompoms
- Sorting the paperclips
- Choosing the paper clip
- Choosing the pompom
- Matching the pompom to the paperclip
- Threading the pompom onto the paperclip

A photograph showing a person's hands sorting a large quantity of small, colorful pompoms into a white tray. The tray is divided into several compartments, and the pompoms are being placed into these compartments based on color.		Sorting pompoms into different colours
A photograph showing a person's hands sorting a large quantity of colorful paperclips into a white tray. The tray is divided into several compartments, and the paperclips are being placed into these compartments based on color. The tray has numbers 1, 2, and 3 written on it.		Sorting paperclips into different colours
A photograph showing a person's hands threading a red pompom onto a paperclip. The person is holding the paperclip and the pompom, and the pompom is being pushed onto the paperclip. In the background, there is a white tray with a grid and a container of colorful paperclips.		Threading pompoms onto paperclips
