Adjustments to school day on Tuesday 21st and Wednesday 22nd

Dear Parents and Carers,

Apologies for the short notice of information in this letter.

As I'm sure you are aware there is significant industrial action taking place next week, on Tuesday there will be no tube or rail services available.

Many of the staff at KQ do not live within walking or cycling distance of school. This means that on both Tuesday and Wednesday morning next week they will likely face lengthy and difficult journeys to school.

So that we can open the school safely with enough staff available to support your children on **Tuesday 21st and Wednesday 22nd school hours will be 10am – 3pm**. Transport have been advised and will collect according to this new schedule.

Reminder of School hours on Tuesday & Wednesday – 10am – 3pm.

If you need to discuss this change with me I'm available via the main school number on Monday.

Yours,

Andy Nowak,
Head of School, Kensington Queensmill
